OTHERS PRESENT: Dr. Rosa Atkins, Charlottesville City Superintendent; Dr. Pam Moran, Albemarle County Superintendent; Mr. Hosea Mitchell, CATEC Foundation Board member; Ms. Kathy Harris, CATEC Foundation Board member; Ms. Peggy Van Yahres, CATEC Foundation Board member; and Mr. Madison Cummings, Jr., CATEC Foundation Board member.

AGENDA ITEM 17-62 AGENDA

Mr. Koleszar offered a **motion** to adopt the agenda. Mr. Wade **seconded** the motion and **the motion passed**.

AGENDA ITEM 17-63 PUBLIC COMMENTS

There were no public comments.

AGENDA ITEM 17-64 MINUTES

Mr. Koleszar offered a **motion** to approve the Center Board minutes for October 17, 2017. Mr. Wade **seconded** the motion and **the motion passed**.

AGENDA ITEM: 17-65 APPROVAL OF FINANCIAL STATUS

Mr. Koleszar offered a **motion** to receive the financial statements. Mr. Michie questioned the 100% notation for every category. Mr. Koleszar explained that the purpose of the percentages is to enable Dr. Keiser to alert the Board of potential variances in funding. Mr. Wade **seconded** the motion and **the motion passed**.

AGENDA ITEM 17-66 PROGRAM PRESENTATION

Dr. Keiser introduced Mr. Ronald Moore, the Auto Body Repair instructor. Mr. Moore started with an overview of his background and experience. He presented the job growth for this field, the earning potential, and the certifications his students can earn. He stressed the need for skilled workers in Auto

Body and outlined his goals for the program for next year including the possibility of teaching adult classes.

AGENDA ITEM: 17-67 **APPROVAL OF CATEC FOUNDATION OFFICERS**

Dr. Keiser stated that the CATEC Foundation Board would like to submit the Board of Directors and Officers for Center Board approval. She introduced those in the audience: Mr. Hosea Mitchell, Ms. Kathy Johnson, Ms. Peggy Van Yahres, and Mr. Madison Cummings, Jr.

The CATEC Foundation Board of Directors:

Ms. Stephanie Carter
Mr. Madison Cummings, Jr.
Dr. Ned Gallaway
Dr. Jolene Hamm
Ms. Kathy Harris
Mr. André Luck
Mr. Hosea Mitchell
Ms. Trina Murphy
Mr. Carlos Palomares
Ms. Linda Seaman
Mr. John Waits
Ms. Peggy Van Yahres

The CATEC Foundation Board Officers beginning January 2018:

Dr. Jolene Hamm, President
Mr. Madison Cummings, Jr., Vice President
Ms. Stephanie Carter, Secretary
Mr. Hosea Mitchell, Treasurer

Mr. Koleszar offered a **motion** to approve the election of the officers. Mr. Michie **seconded** the motion and **the motion passed**.

AGENDA ITEM: 17-68 **PROGRAM OF STUDIES**

Mrs. Gannon, CATEC Assistant Principal, provided information about the Veterinary Science program proposed for the upcoming school year. This information, along with the Program of Studies, was submitted to the Center Board for review, discussion, and approval. Mrs. Gannon went into detail about the new program including dual enrollment credits, the requirements for the instructor's credentials, career pathways and certifications, the curriculum, necessary equipment, and community partnerships. There was discussion about dual enrollment testing, earning potential for these students, and the limited funds to launch this program.

Mr. Koleszar reminded the group that that there were two components to a successful program. One is a good partnership with employers who are in need of workers and a teacher who will inspire the students. In addition, any time a program is started, the first year is rocky.

Mr. Koleszar offered a **motion** to add Veterinary Science to the Course of Studies. Mrs. Moynihan **seconded** the motion and roll was called. **The motion passed** by the following recorded vote:

AYES: Mr. Koleszar, Mrs. Moynihan, Mrs. Puryear, and Mr. Oberg

NAYS: Mr. Wade

ABSTAIN: Mr. Michie

The motion carried by a 4:1:1 vote.

Mr. Oberg stated that the Program of Studies is adopted.

AGENDA ITEM: 17-69 **FUNDING REQUEST PROPOSAL**

Dr. Keiser reviewed the summary of funding changes that were included in the updated funding request. Mr. Jackson Zimmerman, Albemarle County Finance Director, provided updated information: health insurance expense was reduced to \$9,312/year for full-time employees, dental insurance was reduced 5%, VRS expense was reduced to 16.88% of full-time employees' annual salary, and classified staff salary increase of 2.7%.

She noted that the .5 Cosmetology instructor's position was maintained in the proposed budget and recommended offering a section of Adult Cosmetology during the day next academic year. The program will be reassessed in the fall; maintaining the position would be contingent on adequate student enrollment in the adult program. The total cost for the mandated increases, additional positions, and the reduction in position is \$271, 027 or 9.69%. Dr. Keiser sought the Board's guidance and feedback on the proposed budget.

Mr. Koleszar observed that the fund balance was not applied and needed to be reflected in the budget request. He stated that, by policy, if there is 10% that has not been committed to something else, it goes to fund the next year's budget. He went on to say that, at this point in the year, the fund balance can be used for necessary items. If there is nothing Dr. Keiser wants to do with it, by policy, it goes in as a revenue stream (the excess of 10%). The use of it needs to be approved by the Board in the budget. He went on to say that purchasing equipment is an appropriate use of the fund balance. If there is not a use for it, it goes to fund the budget.

Dr. Keiser explained the position changes:

.5 for Veterinary Science instructor

.5 EMT instructor – for the additional satellite program at Western Albemarle High School.

.5 reduction of Culinary Arts instructor

Dr. Moran commented that the increase for Albemarle County looks different than what Jackson Zimmerman had. She suggested that, after the fund balance piece is taken into consideration, Dr. Keiser make sure that Mr. Zimmerman had the most accurate updated numbers even though it could still change. Mr. Koleszar also suggested that Mr. Zimmerman be given a list of employees with their years of experience that will help him with more accurate salary projections. Mr. Michie requested that future budgets be broken down by programs so that the board knows how much each one costs. He also said that there should be serious discussion about the satellite programs – and the cost as it relates to which divisions' students will be able to attend at that specific location.

AGENDA ITEM: 17-70 **WORK SESSION UPDATE**

Dr. Keiser reported that there was a work session on November 27, 2017 and the committee decided, and will recommend to the Board, that CATEC will remain at the Rio Road location and not relocate to PVCC. Based on the specific needs of both the City and the County high school students as well as new guidelines from the Profile of a Virginia Graduate, CATEC could become more of a specialty center with a focus in the STEM areas. Permission was requested from the Center Board to broaden the study group, invite representatives of technology, science, and engineering, as well as refresh the Strategic Plan to align with the future vision of CATEC. A discussion ensued about how the committee came to this recommendation, what to do with this facility, future challenges, how to market/rebrand CATEC, and – based on the vision of the Strategic Plan – what the next steps are.

AGENDA ITEM: 17-71 **COMMENTS**
